- B. Representatives of the Board and the Association shall begin negotiations prior to or during the second week of December. During the interim period between the date of submission of demands and the date of commencing of negotiations by the representatives, Association representatives shall meet as requested for the purpose of clarification of financial details, contractual meaning, and matters affecting the educational process together with the Superintendent and Board representatives. Other appropriate personnel may be involved at the request of the Superintendent.

ARTICLE 3
GRIEVANCE PROCEDURE

- A. A grievance shall be defined as a misinterpretation, misapplication or violation of policies, agreements, and administrative decisions which adversely effect the employee except that the term "grievance" shall not apply to any matter for which a method of review is prescribed by law.
- B. Although the complaint of a nontenure teacher that he is not granted a contract has not been subject to the provisions of this Article 3, such teacher may, if he so desires, request a meeting with the Board to discuss the situation and the Board may agree to such meeting if it so desires.
- C. Although the complaint by a certificated person occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required is not subject to the provisions of this Article 3, such certificated person may, if he so desires, request a meeting with the Superintendent to discuss the situation, and such meeting shall take place within a fifteen (15) day period of time after such request was made to the Superintendent. The Association will be notified in writing if such meeting is to be held and may participate in the discussion if the teacher so desires.

- D. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- E. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment.
- F. Procedure
1. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
 2. A grievance, to be instituted under the provisions of this Article, must be in writing and given to the principal within fifteen (15) school days after the grievant should have reasonably known of the event which occasioned the grievance. The principal shall consider the grievance if the principal has the authority to make the decision or if the principal has

authority over the decision-maker. If the principal does not have such authority, the grievance shall be first submitted in writing at Level Three by the grievant.

3. Level One

A teacher with a grievance shall first discuss it with his immediate supervisor, the Department Supervisors, with the objective of resolving the matter informally. If the teacher is not satisfied with the decision of his immediate superior, the aggrieved person may proceed to discuss the grievance with the principal of his building, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

4. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he may file and sign the grievance in writing with the principal in compliance with subparagraph 2 of Paragraph F of this Article 3.

5. Level Three

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school

days after presentation of the grievance at this step, he may file the grievance within five (5) school days after receipt of the disposition of the grievance by principal with the Superintendent. In the event that the principal does not have the authority to make the decision or have authority over the decision-maker the grievance shall be initiated in writing at Level Three within fifteen (15) school days after the grievant should have reasonably known of the event which occasioned the grievance.

6. Level Four

If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within ten (10) school days after presentation of the grievance to the Superintendent, he may file the grievance, within five (5) school days after receipt of the disposition of the grievance by the Superintendent, with the Board through the Superintendent.

7. Level Five

The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the teacher and render a decision in writing within fifteen (15) school days after receipt of the grievance by the Superintendent for transmittal.

8. Level Six

If the aggrieved person is not satisfied with the disposition of his grievance at Level Five, the Association may, within five (5) school days after such disposition, notify the Board through the Superintendent of its intention to arbitrate the grievance. Within ten (10) school days of such written notice to the Superintendent, the Association may file a demand for arbitration with the American Arbitration Association which shall be processed under AAA's Voluntary Labor Arbitration Rules. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to nor subtract anything from the Agreement between the parties or any policy of the Board of Education. As to those grievances which involve decision of the meaning or interpretation of the language of this Agreement, the arbitrator's decision shall be final and binding on the parties. As to all other grievances covered by this Article, the arbitrator's decision shall be advisory only. Each party will bear the total cost incurred by themselves. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs shall be shared equally.

9. Any party in interest may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the

Association. When a teacher is not represented by the Association, the Association shall have the right to be present at all stages of the grievance procedure.

10. No reprisals of any kind shall be taken by either party against any party in interest, any building representatives, or any other participant in the grievance procedure by reason of such participation.
11. If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Level Three. The statement of the grievance shall identify the group or class of teachers on whose behalf the grievance is being filed by the Association.
12. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives.
13. The parties concerned will not be limited to the number of days called for in this Article for actions on grievance handling, if written notification, at least one day before deadline, is given to the other party stating reasons for the needed delay. In no case will this delay exceed five (5) school days and may not occur at more than one level.

14. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
